Places to visit in Matheran hill station

Matheran is an idyllic hill station nestled in the lap of the Sahyadri mountain range. Explore Matheran on your next vacation and enjoy its natural bounty.

Famous for its misty, green forests and beautiful landscapes. Matheran is a popular weekend getaway destination from Mumbai.

Charlotte Lake: One of Matheran's most attractive attractions. It is a fantastic site for campers and picnickers and an ideal fast getaway for those seeking peace amid nature.

Birdwatching is a common hobby in this highly inhabited woodland. Catch a stunning vista of Echo Point and Louisa Point by visiting Charlotte Lake at sunrise or sunset.

Pisharnath Mahadev Mandir, an old Shiva temple, is located on one side of Charlotte lake. The temple's Shiva Linga, a distinctive feature unlike the normal black ones, is stained with vermillion and slanted to one side.

This lake, which is only a short walk from the main market area, is the city of Matheran's principal supply of pure drinking water. Charlotte Lake is formed by a dam that overflows when it rains, creating a beautiful tiny cascade and the shimmering lake in the monsoon.
